A reasonable assurance engagement in accordance with ISAE 3000 (Revised) involves performing procedures to obtain evidence about the free float of shares and related information in the Statement. The nature, timing and extent of procedures selected depend on the practitioner's judgment, including the assessment of the risks of material misstatement, whether due to fraud or error, in the Statement. In making those risk assessments, we considered internal control relevant to the Company's preparation of the Statement. A reasonable assurance engagement also includes assessing the applicable criteria used and significant estimates made by management, as well as, evaluating the overall presentation of the Statement.

We have carried out the procedures considered necessary for the purpose of providing reasonable assurance on the Statement. Our assurance procedures performed included verification of information in the Statement with the underlying data and record comprising of Central Depository Company statements, forms submitted by the Company with Securities & Exchange Commission of Pakistan relating to its pattern of shareholding and other related information. Verification that the computation of free float of shares is in accordance with the PSX regulation also forms part of our assurance procedures.

With respect to identification of associates of an individual as defined in section 2(ii)(a) of the Securities Act, 2015, we have obtained and relied on management's representations that are based on written declarations from individuals (i.e. directors, sponsors and senior management officers of the Company) about their associates.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

6. Opinion

In our opinion, the Statement as of September 30, 2024, December 31, 2024, March 31, 2025 and June 30, 2025, is prepared, in all material respects, in accordance with the PSX Regulations.

7. Restriction on use and distribution

This report is issued in relation to the requirements as stipulated under Regulation No 5.7.2(b)(ii) of the PSX Regulations and is not to be used or distributed for any other purpose. This report is restricted to the facts stated herein and the attachments.
