Third quarter of financial year 2013 has ended with a political milestone, whereby democratic government has completed its full term. The upcoming elections are not only important for the continuity of the democratic rule, but hopefully, for achieving macroeconomic stability and growth. So while this uncertainty cannot be denied, the government must prioritize addressing stubborn structural problems in public sector enterprises and the energy sector. Media will continue playing its role in ensuring fair and free elections.

The Board of Directors wishes to express its pleasure and gratefulness to the shareholders for their continued support and to all the employees for their ongoing dedication and commitment to the Company.

For and on behalf of the Board of Directors
