In times of severe economic pressures, political uncertainty, the ongoing war on terror and increasing input prices, the Media industry in Pakistan has been successful in braving all challenges that it has been presented with, so far. The industry has witnessed the introduction of a number of innovative strategies by Pakistani media houses, in order to counter the decreases in Govt. & Private sector advertising revenues; Rightsizing, operational gearing adjustments, use of ICT, consolidation of segments etc. are just a few examples of the measures taken by Pakistani Media industry in order to ensure continuity of its pivotal role in society. The Pakistani media industry has consistently been putting forward a responsible & progressive viewpoint, even when it is sometimes dangerous and unpopular to do so, substantiating their resolve & determination towards educating, informing and shaping the opinions of the general public.

The resilience of our Media industry is evidenced by the introduction of multiple new media ventures in the Pakistani market, in the Calendar year 2012. This is despite the increased security risks faced by the media industry. The loud public &

international support for a responsible, free and effective media, coupled with an improving economic outlook, as suggested by the improvement in Capital Markets, are strongly suggestive of a very positive future outlook for the industry.

Board of Directors

There is no change in the composition of Board of Directors of the Company, since the annual report.

General

The Board of Directors wishes to express its pleasure and gratefulness to the shareholders for their continued support and to all the employees for their ongoing dedication and commitment to the Company.
