Sector Review

During the year 2024 the Real Estate Industry faced significant challenges including increase in existing taxes, imposition of new taxes, lower remittances from overseas Pakistanis, and lower appetite from local and foreign investors in Real Estate sector. Increasing cost of construction is badly affecting the development and handing over of finished projects. Cost of running the existing projects has also increased due to higher commodities prices and increased electricity rates. The overall performance of the Company also affected due to the aforesaid factors and overall slump in real estate sector..

Construction of Pace Tower lobby is complete and remaining units mainly on 16th and 18th Floors is in final process. INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Pace (Pakistan) Limited

Review Report on Condensed Interim Unconsolidated Financial Statements

Introduction

We have reviewed the accompanying condensed interim unconsolidated statement of financial position of **Pace (Pakistan) Limited (the "Company")** as at **December 31, 2024** and the related condensed interim unconsolidated statement of profit or loss, condensed interim unconsolidated statement of comprehensive income, condensed interim unconsolidated statement of changes in equity, and condensed interim unconsolidated statement of cash flows, and notes to the condensed interim unconsolidated financial Statements for the six-month period then ended (here-in-after referred to as the "condensed interim unconsolidated financial statements"). Management is responsible for the preparation and presentation of these condensed interim unconsolidated financial Statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim unconsolidated financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim unconsolidated financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

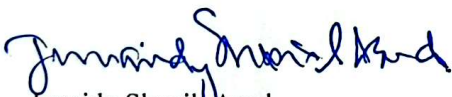

Emphasis of Matter

We draw attention to note 2 to the accompanying condensed interim unconsolidated financial statements which indicates that the Company's current liabilities exceeded its current assets by Rs. 5,792.25 million and accumulated losses of the Company stand at Rs. 4,044.15 million as at 31 December 2024. The Company's equity has eroded and the accumulated losses exceed the share capital, share premium and revaluation surplus by Rs. 935.08 million as at 31 December 2024. As stated in note 2, these conditions, along with other matters as set forth in note 2, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

Other Matter

The figures of the condensed interim unconsolidated statement of profit or loss and condensed interim unconsolidated statement of comprehensive income for the quarters ended December 31, 2024 and December 31, 2023 have not been reviewed, as we are required to review only the cumulative figures for the six-month period ended December 31, 2024.

The engagement partner on the review resulting in this independent review report is Shoaib Ahmad Waseem.

9.1 Terms finance certificate

This represents term finance certificates (TFC's) listed on Lahore Stock Exchange before integration of Pakistan Stock Exchange issued for a period of 5 years. On 27 September 2010, the Company completed the restructuring of its term finance certificates. Restructuring was duly approved by majority of TFC holders holding certificates in aggregate of 51.73 %, through extraordinary resolution passed in writing. Consequent to the approval of TFC holders, addendum to the trust deed was executed between the Company and trustee 'IGI Investment Bank Limited' (now 'IGI Holdings Limited') under which the Company was allowed one and a half year grace period along with an extension of four years in the tenure of TFC issue and consequently, the remaining tenure of TFC shall be six and a half years effective from 15 August 2010. The TFC's carry a markup of 6 months KIBOR plus 2% (June 30, 2023: 6 months KIBOR plus 2%) and is payable semi-annually in arrears. The Company could not repay on a timely basis, the instalments due as per the revised schedule of repayment and is not compliant with certain debt covenants which represents a breach of the respective agreement, therefore, the entire outstanding amount has been classified as a current liability under guidance contained in IAS 1 - Presentation of Financial Statements. The Company is in negotiation with the TFC holders and the trustee for relaxation in payment terms and certain other covenants.

During 2020, Pakistan Stock Exchange through its letter (Ref No. PSX/Gen-5683) dated 19 November 2019 instructed the Company to apprise them regarding measures taken for removal of default of payment of principal amount, markup and restructuring of the TFCs by 25 November 2019. Consequently, the Company has submitted its reply to the Pakistan Stock Exchange on 25 November 2019 and has intimated the Exchange that it is currently negotiating with the TFC holders for settlement of outstanding liabilities and for relaxation in payment terms and that a settlement proposal was shared in the meeting held on 18 March 2018 with the TFC holders. However, despite the three reminders sent by the Trustee, response of the TFC holders is still pending.

The TFCs are still in the defaulter segment due to non compliance which could result in delisting of TFCs under Pakistan Stock Exchange Regulations.

Security

The TFC's are secured by a first exclusive charge by way of equitable mortgage on the Company's properties situated at 124/E-1, Main Boulevard Gulberg III, Lahore, 38-A and 39 Block P, Model Town, Lahore, G.T. Road Gujrat, G.T. Road, Gujranwala, and first exclusive hypothecation charge over certain specific fixed assets, to the extent of Rs 2,000 million.

12 Contingencies and commitments

12.1 Contingencies

12.1.1 On 10 October 2017, the Company filed a petition against Damas (the tenant at the M.M Alam Plaza) in the Rental Tribunal at Lahore on the grounds that the tenant has violated the terms and conditions of the lease agreement including failure to pay rent and denial of the right to entry into the premises. The amount of claim is Rs. 66.60 million.

The petition is pending for hearing. As per legal advisors of the Company, there are reasonable grounds to defend the Company's claim, however no asset has been booked in the financial statements.

12.1.2 On 29 November 2012, Shaheen Insurance Company Limited and First Capital Securities Corporation Limited (on behalf of First Capital Group) entered into an agreement whereby, it was agreed that liability pertaining to reverse repo transaction amounting to Rs. 99.89 million along with insurance premium payable amounting to Rs. 88.86 million from First Capital Group shall be settled vide sale of 4.70 million shares of First Capital Equities Limited to Shaheen Insurance Company Limited at a price of Rs. 40. Included in the insurance payable is Rs. 57.96 million pertaining to Pace (Pakistan) Limited. It was agreed that Shaheen Insurance Company Limited will be allowed to sell the share after two years, however, the first right to refusal shall be given to the First Capital Group. Further, First Capital Group guaranteed to buy back the shares at Rs. 40 in case the shares are not saleable in open market. The agreement was subsequently amended on 07 March 2013 to remove restriction of holding period of two years. In addition to that, the guarantee to buy back was also revoked.

On 24 April 2015, Shaheen Insurance Company Limited filed a suit for recovery of Rs. 188.75 million in the Honorable Senior Civil Court. The case is under adjudication and the maximum exposure to the Company is of Rs. 57.96 million. As per legal advisors of the Company there are meritorious grounds to defend the Company's claim and consequently no provision has been made in these financial statements.

12.1.3 In view of legal opinion obtained by the legal advisor of the company, the company has stopped charging cash interest of 1% per annum on the outstanding FCCB amounting USD 15.7 Million (Principal plus accumulated markup till maturity). As of 30 June 2024, there is a liability provided amounting USD 1.8 Million with regard to 1% cash coupon. As per balance confirmation received from BNY Corporate Trustee Services Limited the liability outstanding does not include the aforesaid amount of 1% cash coupon. The management of the company is confident that the final liability at the time of settlement would not exceed the amount already provided in these financial statements

12.1.4 During the year 2021, the Company received invoices from Athar Marketing Network ('AMN') amounting to Rs 25.248 million in respect of marketing services rendered by it during the previous years. However, the Company's management has raised a dispute with AMN over the aforementioned matter on the grounds that these advertisements were not telecasted/displayed on air as represented by AMN. The management is confident that the dispute will ultimately be settled in the favour of the Company and no outflow of economic resources will be required. Consequently, no provision has been made in this regard in these financial statements.
